HIGH SCHOOL VOCAL SOLO AND ENSEMBLE CONTEST

FRIDAY SCHEDULING REQUEST FORM

Due to the high demand for Friday night performance times and not enough space to accommodate that demand, we are implementing the following procedure for the High School Vocal Solo and Ensemble Evaluations.

If you have a student that has a School Related conflict on Saturday please complete this form, with your principal's signature and email it to Erin Bodhaine at ebodhaine@comroeisd.net by 4:00 PM on Friday, January 24, 2020. Students with a certified conflict will be scheduled for a Friday performance time first. Any remaining performance times will be assigned to those requesting additional Friday times.

We are unable to accommodate all Friday requests beyond students with Saturday conflicts, so your entries will most likely have to be split between Friday and Saturday performance times.

For assistance in scanning and returning this PDF document contact Ken Labonski klabonski@willisisd.org

- I would like to have some of my students scheduled for Friday performances based on availability. I understand that my school entries may be split between Friday and Saturday performance times.
- Please schedule my remaining students for Saturday, February 9, 2019.

Please list the Students with a Saturday conflict below. Add an additional typed sheet if you have more students with a conflict than can be listed on the lines below.
